## SAUVIGNON BLANC 2017

VINO DE LA TIERRA DE CASTILLA, SPAIN

### background

Inspired by complex, colorful, and celebrated Spanish ceramic tile designs, Ochavado wines are a modern take on centuries-old traditions. Like a beautifully fired tile, our wines are multifaceted with flavors of bright fruits, subtle flowers, silky textures, and geometric balance.

### viticulture

In central Spain, east of Madrid, lie the central plains of Castilla La Mancha. Known for Don Quixote, Manchego cheese, and medieval castles, it's also the home of our Sauvignon Blanc grapes. In the sandy clay soils of the plateau, our 11-year-old vines produce fruit that is ripened by the hot, dry sun and cooled at night due to the high elevation (700 m).

### tasting notes

Features aromatic notes of juicy peach, nectarine, and white flowers. Enticing citrus flavors of lemon, tangerine, and grapefruit lead to a mouthwatering and clean finish.

### suggested pairings

Pair with crisp salads, fish tacos, and Spanish cheeses like Queso Iberico or Cuajada with fresh peaches and honey.

### technical information

Varietal Composition: 100% Sauvignon Blanc

ABV: 12.2%

RS: 2 g/L · pH: 3.3 · TA: 5.5 g/L

UPC: 857038007460
